**DECISION OF THE BOARD OF CONTRACT APPEALS**

August 1, 2005

**Before POLLACK, VERGILIO, and WESTBROOK, Administrative Judges.**

**Opinion for the Board by Administrative Judge WESTBROOK.**

This appeal, received at the Board April 23, 2004, arises out of Emergency Equipment Rental Agreement (EERA) No. 56-0385-3-0025 between Jeff Cameron of Kalispell, Montana (Appellant) and the U.S. Department of Agriculture, Forest Service, Flathead National Forest (FS or the Government), Kalispell, Montana. Pursuant to a resource order under the EERA, Appellant supplied a refrigeration trailer for use on a forest fire during the 2003 fire season. Appellant's appeal was from a Contracting Officer's (CO's) decision denying Appellant's claim for \$3,600 for eight days use of the trailer. After the filing of pleadings and other pre-trial matters, the parties requested Board-assisted Alternative Disputes Resolution (ADR). The presiding judge conducted a mediation on June 24, 2005 in Kalispell. During the course of the mediation, the parties reached a negotiated resolution. The Board has now received a Stipulation to Dismiss signed by both parties. The parties request that the appeal be dismissed with prejudice with each party to bear his or her own costs.

**DECISION**

This appeal, having been settled and the parties having requested settlement, is hereby dismissed with prejudice.
